Capstone Project Evaluation Rubrics – B.Tech Final Year 2026-27

The Capstone Project shall be evaluated through continuous assessment, mid-term evaluation, and end-term evaluation to ensure consistent monitoring of student progress, quality of implementation, documentation, and research outcomes.

Timeline	Phase	Assessment Component	Assessment Criteria	100 Marks
03 Aug – 14 Aug 2026	**Phase I: Project Initiation**	Problem Definition, Literature Survey, Objectives, Scope, Novelty, and Feasibility Study	Problem identification and significance, Literature survey, Objectives and scope, Novelty/innovation, Feasibility analysis	**10**
17 Aug – 12 Sept 2026	**Phase II: Planning & Design**	Methodology, Project Planning, System Design, Work Breakdown Structure (WBS), and Progress Review	Project planning and scheduling, Methodology, System architecture/design, Risk identification, Progress with the project guide	**10**
Around 14–19 Sept 2026	**Mid-Term Evaluation**	Design Review, Prototype/Implementation Progress, Experimental Results, Mid-Term Presentation & Viva	Prototype or initial implementation, Design validation, Experimental results, technical presentation, Question & Answer session	**20**
21 Sept – 24 Oct 2026	**Phase III: Implementation**	Design & Implementation, Coding Quality, Testing, Validation, Performance Analysis, and Milestone Completion	Software/Hardware implementation, Coding standards and documentation, Testing and validation, Performance evaluation, Achievement of milestones	**20**
26 Oct – 31 Oct 2026	**Project Exhibition & Expert Review**	Poster Presentation, Working Prototype Demonstration, Innovation Showcase, Technical Interaction with Experts	Quality and clarity of the poster presentation; Functionality and completeness of the prototype; Technical soundness and implementation quality	**10**
01 Nov – Mid Nov 2026	**Final Evaluation**	Project Report (Documentation Quality)	Technical report quality, Demonstration of working system, Presentation and viva Research contribution (paper/IPR), Professional conduct and teamwork	**10**
		Final Presentation, Demonstration & Viva Voce		**15**
		Research Paper / Patent / IPR Submission / Publication (as applicable)		**5**
		Grand Total		**100**
